### Application to be a Libertarian Candidate

I, \_\_\_\_\_, plan to be the candidate in the Electoral District of \_\_\_\_\_ for the Ontario Libertarian Party.

I agree to sign my Nomination Paper (F0400) and ensure that it is submitted to the Returning Officer with at least 25 signatures of voters in the Electoral District prior to the close of nominations (2:00 PM on the third Thursday after the writ is issued).

I agree to sign the Candidate Registration and Change Notice form before the close of nominations and to review and sign my Candidate Campaign Period Financial Statements prepared by my Chief Financial Officer (CFO) after the campaign is over.

I will consult with my CFO before purchasing or preparing any advertising materials (e.g. brochures, signs) or services (e.g. media advertising) and will ensure that any such materials and services specify that it has been "*Authorized by the CFO for* \_\_\_\_\_".

If I obtain a list of voters from my Returning Officer (or any other source):

- a) I will only use such information for electoral purposes;
- b) I will not use such information for commercial purposes; and
- c) I will only disclose such information to any other person after obtaining their written agreement that he or she is bound by these restrictions.

If I plan to solicit contributions for my campaign, I will instruct my CFO to open a bank account in the name of "*Election Campaign.*" Contributions should be made out to this name. If I don't plan to solicit contributions and someone offers to donate to my campaign, I will ask them to make a contribution to the "Ontario Libertarian Party" and put my name on the Memo line.

I will provide receipts to my CFO for any expenses I incur as part of my election campaign. I will provide a log of all trips made to attend campaign events (All Candidate Meetings, interviews, distributing pamphlets, etc) showing the date, purpose and kilometers traveled.

### Candidate's Pledge
